

**Final External Auditor Report and Certificate 2017/18 in respect of  
Upton Parish Council NH0228****Respective responsibilities of the body and the auditor**

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2018; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

**External auditor report 2017/18**

On 24 September 2018, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2018. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review. The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertion 3, has been incorrectly completed. The smaller authority has not fully complied with its Financial Regulations during the year. The smaller authority should ensure it:

- prepares bank reconciliations on a regular basis.
- confirms cheques are only signed by authorised signatories and in accordance with the bank mandate
- provides the necessary number of days' notice when issuing agendas
- obtains credit references for bank signatories

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2018/19 for the exercise of public rights, since the period for the exercise of public rights was less than 30 consecutive working days in length. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2018/19 and ensure that it makes proper provision for the exercise of public rights during 2019/20.

The smaller authority should ensure that all relevant documents are published on the website, are easily identifiable and accessible and in accordance with the council's publication scheme. Whilst strictly not obliged to do so, it is considered best practice to comply with the Transparency Code.

**External auditor certificate 2017/18**

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2018.
